Dear Parents,

Thank you for inquiring about our Toddler program. Our Toddlers range from two (2) years to three (3) years old.

Our toddler rooms are specially equipped for the very young child. Our rooms are set up in a classroom setting to help develop their transition to preschool by building their fine motor skills, cognitive skills, attention span and focus. Our curriculum also facilitates potty training, independence and social development. Our toddlers enjoy a full day of structured learning fostered with extracurricular activities.

Our caring and loving staff are experienced and qualified to make your toddler's day safe and fun filled day with stimulation and support geared towards preschool readiness.

We look forward to meeting with you and your toddler so that you can view the program in progress. Please call for an appointment.

Yours truly,

Debra Noreiga
Director

GUIDELINES FOR EXCLUSION OF SICK CHILDREN FROM CHILD CARE

1. Signs of possible moderate or severe illness: unusual lethargy, irritability, persistent crying, difficulty breathing, and/or inability to function in a group setting.
2. A child exhibiting fever of >100F axillary or >101F orally should be excluded for a minimum of 24 hours.
3. Persistent, frequent cough that interferes with the child's activities.
4. Diarrhea defined as an increase in the number of stools, compared with the child's normal pattern with increase stool water and/or decreased form (diarrhea that cannot be contained within diapers or toilet use).
5. Effortful vomiting, unless the vomiting is determined to be non-diseases related and the child is not in danger of dehydration.
6. Rash with fever or behavior change; or a rash that is possibly infectious.
7. Chicken pox – 6 days after onset or rash or until all lesions have dried and crusted. Children who receive the chicken pox vaccine should not be excluded unless they develop a rash. Rashes can develop up to six weeks after a child receives the vaccine. Rashes from the vaccine usually disappear sooner (within 1-2 days)
8. Strep throat/fever – until 24hrs after treatment has been initiated.
9. Ringworm (head, body, genitals or feet infection) – until 24hrs after treatment has been initiated.
10. Scabies/head lice – allowed to return to childcare the morning after their first treatment.
11. Purulent conjunctivitis (“pink eye”) – defined as pink or red conjunctiva with white or yellow eye discharge, often with matted eyelid after sleep; including a child with eye pain or redness of the eyelid or skin surrounding the eye – until 24hrs after treatment has been initiated.
12. Mouth sores associated with an inability of the child to control his/her saliva.
13. Failure to comply with Trinidad and Tobago Immunization Laws.

RE : Turning and School Parking Restrictions

Dear Parents,

Just a serious reminder, that the following are the parking rules for Little Feet Early Childhood Centre.

All parents picking up or dropping off their children are to turn at the **turning point** (fenced driveway) **only** and park on the left side of the street only!!! Parallel to the school.

Entry to the school compound is through the small gate only! Note, please close the gate after you at all times.

Children are to be dropped off at the entrance to the activity area, with parents signing the sign-in or sign-out sheets at all times.

Please adhere to the above parking rules at all times, since this is a residential area and access is on a private road which we do share with our neighbors.

Parents violating these parking rules will be asked to park on Warren Street.

Thanks in advance for your urgent cooperation in this matter.
